_____ _____

_____ _____

^aThese must be approved by both Departments. The 24h may be reduced in cases in which the second Department requires more than 30h of courses for the double major. See Section B.

F. Additional Checks

- All 75h of courses in Sections A, B, C must be completed with C- or better
- At least 78h in Science (Sections A, B, C, and 3h in Section E)
- GPA at least 2.0
- 120h required in total
- If the Second Major is in an Arts/Professional Studies subject, then courses used to fulfill the requirements in Section B are normally considered Science credits for the purpose of this degree and so cannot be used to fulfill Arts or Arts/Professional Studies requirements from Section D. However, if a student has other science electives, these may be swapped and permit some 2nd major courses to fulfill section D requirements.
