G. Additional Checks

- All 84h of courses in Sections A, B, C with C- or better
- GPA at least 2.0
- 120h required in total
- Musi courses used to fulfill the requirements in Section B are normally considered Science credits for the purpose of this degree and so cannot be used to fulfill Arts requirements from Section D. However, if a student has other science electives, these may be swapped and permit some Musi courses to fulfill section D requirements.
